DETAILED ACTION

Allowable Subject Matter

1. Claims 11, 13-18 and 20-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 11, 13-18 and 20-24 is the inclusion of the limitation of an apparatus and a method for cleaning a liquid ejecting head comprising stopping the movement for a predetermined time period in a state that the wiping member is brought into press contact with the inclined plate after wiping the liquid ejecting head. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
